

Science

Living things and their Habitats-

Children will describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including micro-organisms, plants and animals.

Children will give reasons for classifying plants and animals based on specific characteristics.

PSHE

Me and My Relationships

- Collaboration challenge
- Give and take
- How good a friend are you?
- Working together
- Solve the friendship problem
- Behave yourself

Eagles Class- Autumn 1

'The Blitz!'

Religious

Come and See

Loving- In this unit the children will be learning about God's love, care and forgiveness and God's unconditional love, which is not earned but freely given.

Life Choices- In this unit the children will be studying- The Sacrament of Marriage and the call to Holiness.

Other Religions- Judaism

Caritas

Rights & Responsibilities

History

This unit of learning is to investigate how our children's lives will differ to those in World War 2. As Lancashire was home to thousands of evacuated children, it gets the children a real-life look at local history. The children will be given an insight into what life was like during World War 2 and how the process of evacuation affected them.

DT

Structures- WW2 Anderson Bunkers- We will be creating and designing a bunker that will keep an egg safe under an attack (dropping a ball on top)

Music

Songs of WW2
