

Science

Year 6 Evolution and Inheritance-

Children will recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago.

They will recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents.

Children will identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.

Computing

Computing Systems and Networks: Exploring AI

In this unit children will be exploring AI and how it generates text, images and code. They will be creating and refining prompts to improve AI and study the ethical implications of AI.

PSHE

Valuing Difference

- Qualities of friendships
- Kind conversations
- Happy being me
- Ok to be different
- We have more in common than not
- Respecting differences

Eagles Class- Autumn 2

'South American Adventure!'

Geography

In this unit children will develop their knowledge of locations, places and their features, human and physical processes and key terminology, key physical and human characteristics of a region of South America, world countries and cities, and knowledge of the effects of settlement.

Children will show an understanding of similarities and differences, interaction of people, processes and places and understand geographical similarities and differences through the study of the human and physical geography of a region of the United Kingdom and a region within North or South America.

Art

Collage- Ancient Greece (linked to English Text). Create an Ancient Vase from using plastic bottles and mod rock. Create ancient drawings on collaged materials to cover the vases.

Music

Composition to represent the festival of colour

French

Meet my French Family!

Religious

Life Choices (Cont.)
