

History

Crime and Punishment

Children will be studying crime and punishment in a range of eras whilst responding to the big question 'Which era forged our modern-day justice system?'

Science

Year 6- Animals, including humans.

In this unit, children will identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood. Recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function. Describe the ways in which nutrients and water are transported within animals, including humans.
