

Science

Year 6 – Electricity - In this unit, children will associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells used in the circuit. Compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches. Use recognised symbols when representing a simple circuit in a diagram.

Year 5- Living Things and their Habitats- Children will describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird and describe the life process of reproduction in some plants and animals.

Art

Drawing- Explorers Use Henri Rousseau to create a piece of work relating to exploring the jungle.
