

Music Intent Statement

St Hubert's Mission Statement is at the heart of all our Intent Statements.

Believe to Achieve: Love God, Love Learning, Love One Another.

Music Intent:

'A high-quality music education should engage and inspire pupils to develop a love of music and their talent as musicians, and so increase their self-confidence, creativity and sense of achievement.' Department of Education, National Curriculum.

At St. Hubert's, our aim is to provide a music curriculum which will enable each child to develop a love of music. We enable each child to reach their full potential in music. We encourage children to enjoy singing, composing and performing and provide children with the opportunity to perform in front of an audience both within and outside of school.

How this is implemented:

Our curriculum is centred around 'Kapow', a music-based scheme, in which the children learn to sing and play instruments. They also have an opportunity to develop an understanding of pulse, rhythm and notation. We offer a mixture of teacher and highly skilled teaching assistant taught lessons. The school receives high-quality sessions from outside agencies, including the opportunity to participate in the 'Let's Go Sing outreach programme.

Impact of Music at St Hubert's:

All children at St. Hubert's receive a broad and balanced curriculum regardless of year group or ability. Every child accesses all subjects on offer at our school. Teachers plan all subjects with clear progression of skills and knowledge, that we have devised as part of our curriculum offer, to ensure that all children access it at an age-appropriate level. Here you will see a cross-curricular approach to learning that ensures that children are learning key skills within music. Children are learning to work both independently and as part of a group, ensuring skills of resilience and teamwork are promoted in this subject. Children are enthused and engaged in the wide variety of music activities. Opportunities to perform outside of school, within our local environment ensure our children understand its significance and place within the wider world and that these excite and inspire children's thirst for knowledge and participation in this subject. During the past year, our children have performed within the wider community at King George's Hall in Blackburn and Great Harwood Town Light Switch on.
